WELL and Workforce Development

Evaluation of the WELL Program

- **78 per cent** of participating employers rated WELL as effective or highly effective in improving LLN and meeting business needs

- **79 per cent** of employers cited benefits such as:
 - improved performance in the workplace
 - decreases in occupational health and safety incidents
 - reduced wastage
 - increases in efficiency

- **81 per cent** of employers stated that employees who undertook WELL training went on to complete further training as a result of participation in the Program

The evaluation report is available from www.innovation.gov.au/well

National Foundation Skills Strategy for Adults

Target: by 2022 two thirds of working age Australians will have literacy and numeracy skills at ALLS Level 3 or above

National Priority Areas

1. Raising awareness and commitment to action
2. Ensuring that adult learners have high quality learning opportunities & outcomes

3. Strengthening foundation skills in the workplace
4. Building the capacity of the education & training workforces to deliver foundation skills
